

2006 Martin Ray Stags Leap District Cabernet Sauvignon

92 POINTS

“It’s been such a pleasure to watch Martin Ray expand into their appellation series of Cabernet Sauvignons, which they do with aplomb. This Cab shows the elegant power of Stags Leap, with classic black currant and cedar flavors that are instantly appealing.”

2005 Martin Ray Stags Leap District Cabernet Sauvignon

93 POINTS

“Generous scents of black cherry and dark earth lead. It’s all velvet on the palate, a seductive texture that gives and supports vivid bright plum and black cherry, with plenty of lean, succulent tannin. What you want in a Cab.”

92 POINT MOUNTAIN RESERVE WINES

92 POINTS! MARTIN RAY CABERNET SAUVIGNON

DIAMOND MOUNTAIN DISTRICT RESERVE 2004 \$60

Modern tannin management has yielded a lush, lusciously soft wine, beguiling in blackberry and cherry pie filling and mocha flavors that are almost sweet. But the finish is thoroughly dry. - *S.H.*

92 POINTS! MARTIN RAY CABERNET SAUVIGNON

STAGS LEAP DISTRICT RESERVE 2005 \$50

Rich, soft and immediately appealing for its luscious array of flavors. What's not to like about blackberries, cherries, raspberries, chocolate, cedar and smoky vanilla? The tannins are very fine, giving the wine a silky, velvety mouthfeel. - *S.H.*

93 POINTS!! CELLAR SELECTION

MARTIN RAY CABERNET SAUVIGNON STAGS LEAP DISTRICT RESERVE 2004 \$40

This is the first Stags Leap wine I've ever had from Martin Ray, who's been making Cabs from many other appellations for years. It's also one of the best Cabs the winery has ever produced. Exceptionally ripe and well-oaked to surround blackberry, blueberry, cherry and currant pie filling flavors, it's a softly beautiful, complex wine that's gorgeous now, and should age well for a decade.—S.H.

2004 Martin Ray Stags Leap Reserve Cabernet Sauvignon

“Aromas of blackberry, black cherry, cocoa powder, dried cranberry, and sweet smoky oak before creamy textured, sweet accented flavors of cherry, blackberry, cocoa powder, sweet cranberry, smoky oak, and a touch of pepper all laced with smooth tannin. Everything carries through the long, broad finish. Well balanced, structured and integrated.

Very tasty.”

2004 Martin Ray Stags Leap Reserve Cabernet Sauvignon

92 POINTS

“Buffed and polished to black raspberry and espresso richness, this cabernet delivers the soft tannin intensity that has made the Stags Leap District famous. All the fruit and tannin is compressed in its youth, revealing dimensions and layers of flavor as it takes on air. Enjoyable now, but probably better with another five years of age.”
